

PROBLEMS and TREATMENTS

(Project 4_Unit 3C)

1. Choose the correct treatment to the problem!

1. If my finger is bleeding.....
 - a) I use a plaster on it.
 - b) I have to go to an X-ray.
 - c) I put some drops on it.
2. If I've got sore eyes....
 - a) I put a sling on the eyes.
 - b) I should have a cast.
 - c) I put some drops in the eyes
3. My leg is probably broken....
 - a) I must go to an X-ray.
 - b) I've got an infection.
 - c) I've got a temperature.

2. Translate into Slovak!

1. What seems to be the problem?

.....

2. How long has it been like this?

.....

3. Come and see me again.

.....

4. Take a tablet twice a day.

.....

5. I'll give you a prescription.

.....

3. Translate into English!

1. Svrbí to.	
2. Je to opuchnuté.	
3. Bolí to.	
4. Je to zapálené.	
5. Mám vyklíbený lakeť.
